

Trinidad Chair

Designer: **Nanna Ditzel**

Manufacturer: **Fredericia**

£532

DESCRIPTION

Trinidad Chair by **Nanna Ditzel** for **Fredericia**.

Bring a touch of charm and timeless elegance to your space with the Trinidad Chair. The chair designed by Nanna Ditzel in 1993, draws inspiration from the intricate fretwork of the Gingerbread Facades found in colonial architecture during her travels in Trinidad. The cut-out fretwork of the chair creates a captivating interplay of light and shadows, casting a beautiful pattern into the surrounding space and imparting a sense of subtle motion.

DIMENSIONS

48.5w x 57d x 45.5/85cmh, 4.9kg

MATERIALS

The stackable chair is crafted with a durable steel tube frame. The back is made of expertly moulded plywood with precision CNC-milled cut-outs for added comfort and support. The seat and back are seamlessly mounted with rivets for a seamless and secure fit.

The chair is designed with interchangeable plastic glides, making it easy to move and protect the floor.

stackable up to 8 chairs.
