

Queen Chair

Designer: **Hans Wegner**

Manufacturer: **Fredericia**

£7,169

DESCRIPTION

Queen Chair by Hans Wegner for Fredericia.

Wegner's Queen chair acts as the feminine counterpart to the Ox Chair of the same year - sharing several of its iconic features. With generous and almost cylindrical armrests, and a high supportive back, the Queen chair proves Wegner's ability in creating furniture that transcends time. Defined as regal, yet relaxed, the Queen chair is both striking and practical.

With a sculptural form and sophisticated construction, the chair sits on a low black painted or brushed stainless steel base.

DIMENSIONS

92w x 99d x 36/90cmh

MATERIALS

Fully upholstered easy chair in fabric or leather. Inner frame of solid wood and moulded cold cured foam. Pads at neck and armrest includes piping, available in leather as contrast to fabric upholstery. Stainless steel base.

Please refer to the pdfs in the Product Downloads section for available base finishes as well as fabric and leather upholstery options.

All Fredericia leather comes from well-known, certified sources, where professionals are trained to respect animals.
