

Swoon Lounge Chair

Designer: **Space Copenhagen**

Manufacturer: **Fredericia**

£2,475

DESCRIPTION

Swoon Lounge Chair by **Space Copenhagen** for **Fredericia**.

The Swoon lounge chair by Space Copenhagen elegantly bridges the gap between the traditional lounge chair and a classic armchair, the structured design is constructed with a one-piece injection-moulded shell, upholstered in either fabric or leather and is complemented with a soft fabric cushion.

The Swoon's organic form was carefully designed with exemplary back support, providing a high level of comfort which combined with its compact size, makes it an ideal choice for modern lounge areas or home interiors.

A chair and petite lounge chair are also available in the Swoon collection; please see the product range below.

DIMENSIONS

90w x 88.5d x 50/83.5cmh

MATERIALS

The Swoon Chair collection has been certified with the Greenguard Gold Certification. Products that have achieved the Greenguard Gold Certification are scientifically proven to meet some of the world's most rigorous third-party chemical emissions standards, helping to reduce indoor air pollution and the risk of chemical exposure.

Seat and back cushion of moulded low emission foam.

All wood from Fredericia comes from responsibly managed FSC forests, where no more trees are felled than the forest can reproduce naturally.

All Fredericia leather comes from well-known, certified sources, where professionals are trained to respect animals.

The chair can be upholstered in a large range of fabrics and leathers. Please note: the cushion is only available with fabric upholstery. For leather upholstery or the choice to mix and match fabrics, please do get in touch with our team.

Please refer to the pdf in the download section for more information regarding leather upholstery, for fabric upholstery and finishes [click here](#).

The base is available in seven different finishes in oak or walnut.
