DESCRIPTION

Tableau coffee table by **Space Copenhagen** for **Fredericia**.

The Tableau coffee table collection is a sculptural series of tables made of tactile stone, celebrating natural material and exquisite craftsmanship. The collection comprises a soft contoured square or circular top with an x-shaped base, precisely carved and polished to perfection.

Tableau's effortless elegance is enhanced by the subtle variations found in the surface pattern of the natural Atlantico limestone, creating a sense of exclusivity about each individual table, no two exactly alike.
