

YKSI Chair

Designer: **Thau and Kallio**

Manufacturer: **Fredericia**

£699

DESCRIPTION

YKSI Chair by **Thau and Kallio** for **Fredericia**.

The YSKI chair is a modern take on the traditional wood-working skills of Finland. Meaning 'one' the chair reflects the singularity of the design.

With a distinctive Y-shaped base and curved backrest the dining chair is light and comfortable. Both visually and physically it has a weightlessness.

DIMENSIONS

54w x 48d x 46/76cmh

MATERIALS

Solid wood frame, with seat and back crafted from moulded plywood with a beech core and oak top veneer.

All wood from Fredericia comes from responsibly managed FSC forests, where no more trees are felled than the forest can reproduce naturally.

For ease of storage two can be stacked together.
