## Pato Lounge Chair

Designer:Welling Ludvik
Manufacturer:Fredericia
£902
DESCRIPTION
tePato lounge chair by Welling / Ludvik for Fredericia.

Versatile lounge chair in a range of frame types and upholstery. Designed by Welling / Ludvik for 2017, a silky textured surface and bevelled edge adds visual lightness and detailed craftmanship to this industrial standard. Fourlegged, steel sledge base.

Pato meets Fredericia's 100-year-old tradition of a maximum of crafted quality to industrial products. Designers Welling / Ludvik have created a highly intelligent design where functional details add to a distinct expression and sublime usability.

The Pato lounge chair is comprised of pure recycled polypropylene. Consequently, every chair in the series can be recycled endlessly. To explore the environmentally friendly Pato collection please see the product range below.
