

Fresnel Wall Light | Set

Designer: **Joe Colombo**

Manufacturer: **Oluce**

~~Was £840~~ Now £714

DESCRIPTION

Fresnel Wall Light | Set by **Joe Colombo** for **Oluce**.

Small but perfectly formed, the Fresnel light requires only a 10cm diameter space on a wall or ceiling. The lamp glass is shaped as a Fresnel lens which ensures the light emitted is singularly soft, deep and diffused.

The light's highly protective lacquered aluminium casing makes it suitable for both indoor and outdoors and particularly well-suited to damp environments. Joe Colombo designed the Fresnel light to be as unobtrusive as possible - a timeless and functional object which sits happily in any setting.

IP44 rated

Please note; the pricing is for a pack of 2 LED or a pack of 4 Incandescent wall lights. Chrome finish is suitable for use indoors. Black, White and Grey finishes are suitable for use both indoors and outdoors.

The Fresnel is sold individually as a black incandescent finish on quickship. Please see 'related products' to purchase.
