

Series 7 Armchair

Designer: **Arne Jacobsen**

Manufacturer: **Fritz Hansen**

£799

DESCRIPTION

3207 Series 7 Stackable Armchair by Arne Jacobsen for Fritz Hansen.

Renowned across the globe, the timeless Series 7 chair boasts an enduring hourglass silhouette that has become a symbol of modern design. This stackable masterpiece, crafted by Arne Jacobsen for the H55 exhibition in Sweden, is considered one of Fritz Hansen's most favoured and celebrated designs.

Innovatively crafted in 1955, Jacobsen employed a pioneering technique involving pressure-moulding nine layers of wood veneer in diverse orientations, resulting in a seat that embodies strength and resilience.

DIMENSIONS

61w x 52d x 46/80cmh

MATERIALS

It has a seat shell made of pressure moulded, sliced veneer. The seat shell comes in natural veneer or coloured ash.

Please see the pdf in Product Downloads to see all wood types and finishes available.

Base in chromed steel or brown bronze. Alternative leg finishes such as silver grey, warm graphite, black, white and nine grey can be ordered by contacting our showroom.

Stackable.
