

Egg Footstool | Special Edition

Designer: **Arne Jacobsen**

Manufacturer: **Fritz Hansen**

£1,995

DESCRIPTION

Egg Footstool | Special Edition by Arne Jacobsen by Fritz Hansen.

For Fritz Hansen's F.H. Choice 2023, which celebrates modern Danish design, the Egg Footstool is available for a limited time in a premium textured fabric - Moss. The exclusive stool has a serene tone and subtle grey hand-sewn leather piping, enhancing this icon's organic shapes.

Arne Jacobsen created the Egg Footstool and its counterpart lounge chair in 1958 as part of a commission for the Royal Hotel in Copenhagen. Asked to devise every element of the hotel - from the furniture to the architecture - Jacobsen used the project to put his design and architecture theories to fruition, with the Egg Chair and Footstool emerging as crowns of his total design concept.

DIMENSIONS

56w x 40d x 37cmh

MATERIALS

The base of the Egg footstool is fashioned from a satin polished aluminium.

The special edition seat is upholstered in Moss (05) with leather piping.
