

Oksen lounge chair, 1966

Designer: **Arne Jacobsen**

Manufacturer: **Fritz Hansen**

£10,499

DESCRIPTION

Oksen chair by **Arne Jacobsen** for **Fritz Hansen**.

Oksen, which means 'Bull' in Danish, is a bold and powerful lounge chair originally designed in 1966 and re-launched by Fritz Hansen 2017.

It took Jacobsen five years to develop and perfect the Oksen lounge chair. Many of Jacobsen's earlier designs such as the **Egg** and **Swan chairs** have rounded wholly organic shapes. Oksen, on the other hand, has a much sharper outline and angular form. It is described as the largest and most distinctive chair that Jacobsen ever designed.
