

Atlantis Umbrella

Manufacturer: **Fritz Hansen**

£749.17

DESCRIPTION

Atlantis Umbrella by Fritz Hansen.

The Atlantis umbrella is an ideal outdoor accessory to shelter from the sun. Designed to be the perfect shade under the summer heat, this umbrella is made from a durable material with the highest UV-protection rating achievable in a fabric.

Lounge under the Atlantis to protect from the summer heat or keep above a table to shade whilst dining alfresco.

DIMENSIONS

Round: 330dia x 275cmh

Square: 330w x 277cmh

MATERIALS

Parasol made with lacquered FSC-certified Kapur from Indonesia. Leather-reinforced and teflon treated fabric, which makes it water and dirt repellent.

Fabric has a UV protection of UPF50+, the maximum achievable for textiles.

The foot of the wooden pole is metal-reinforced to protect against wear and scratches when placed in a foot.

Designed with a double-pulley system makes it easy for fold and store away.
