With a Swedish mother and Danish father, Christina Liljenberg Halstrøm shows her Nordic roots in her designs through a minimalistic approach and strong combinations of materials like wood, leather and wool.

Her Scandinavian sensibilities lend themselves well to the creation of the simple oak console table. Highly durable and stable, the Georg console table designed in 2016, is well suited to narrow spaces as a console or side table.

Please note that the table must be fixed to the wall for stability. Brackets and screws for fixing are included.
