

Dania Step Ladder, 2013

Manufacturer: **Fritz Hansen**

£399

DESCRIPTION

Dania Step Ladder by Fritz Hansen.

A functional and convenient combined stepped stool. The step slides under the main structure for easier storage, converting into a stool at the same time.

Well built and stable, the Dania Step Ladder is very reliable as well as being made from FSC approved wood.

DIMENSIONS

37w x 38dd x 51cmh

MATERIALS

Available in teak or oak.

FSC mix certified.
