

## Reykjavik Daybed

Designer: **Included Middle**

Manufacturer: **Fritz Hansen**

£2,691

### DESCRIPTION

**Reykjavik Daybed** by **Included Middle** for **Fritz Hansen**.

The Reykjavik Daybed embodies the essence of compact architecture, presenting itself as a harmonious blend of modernist and rustic styles. Crafted using sturdy German Douglas Pine, this daybed exquisitely graces your living room or hallway, serving as both a striking decorative element and a practical seating solution.

Fritz Hansen sources its Douglas Pine from Schwarzwald, a densely wooded mountain range situated in the southern region of Germany. The Douglas Pine's naturally straight and robust trunk renders it exceptionally fitting for crafting tailor-made, high-quality furniture from solid wood.
