

Messina Parasol

Manufacturer: **Fritz Hansen**

£419

DESCRIPTION

Messina Parasol by Fritz Hansen.

Create shade and cover in outdoor seating arrangements. Messina combines a white shade with meranti wood frame and is Teflon coated helping it to repel water and dirt.

Kapur, a sustainable choice, is chosen for its strong and durable qualities. Available in three different sizes. The optional choice of 2 umbrella feet is available as a functional stabiliser for the parasol.

DIMENSIONS

210: 210 x 220cmh

270: 270dia x 270cmh

270 Square: 270w x 270cmh

300 Square: 300w x 300cmh

MATERIALS

Parasol made with oiled FSC Kapur. A wood frame with a Teflon coating.

Umbrella foot is a functional luxury in steel and concrete. Both are a conoid shape, allows rain to drain off easily.

The 50kg Umbrella foot has handles and wheels, making it easy to move.

Only the 270 (round) is available with stripes in dark blue and in golden yellow.
