

MS021 Table Light

Designer: **Mette Schelde**

Manufacturer: **Fritz Hansen**

£939

DESCRIPTION

MS021 Table Light by **Mette Schelde** for **Fritz Hansen**.

Striking a harmonious balance between minimalist aesthetics and gentle curves, Mette Schelde's MS Series boasts clean lines that intersect with Schelde's distinctive circular motif in many of her designs. The result is lighting that remains visually appealing, whether switched on or off.

With an arm that can be tilted, a shade that can be rotated, and a base that can be swivelled, the MS021 is highly adaptable to your lighting preferences.
