The Skagen Table is built to last, crafted from long-lasting materials and featuring a design that never goes out of style. Elevate your space with this sophisticated piece of furniture that captures the essence of Nordic design.

The table is made from FSC-certified teak bench sourced from Central America, Brazil, and Indonesia. This heavy and sturdy wood type is highly resistant to the elements thanks to its high content of natural oils, making it a perfect choice for your outdoor furniture needs.

Combine it with the Skagen Bench and the Skagen Chair for the perfect outdoor dining experience. Discover the complete Skagen range in the Product Range below.

### Cleaning and maintenance:

To keep your teak furniture looking its best, clean it regularly with a wood cleaner and a soft bristle brush, and rinse it with water. To maintain its original honey-golden hue, apply a furniture oil on a regular basis. Alternatively, let it patinate naturally and turn into a beautiful silvery grey over time.

### Winter storage:

No need to worry about storing your teak furniture during the winter, as it can withstand all kinds of weather throughout the year. However, if possible, it's recommended to keep it in an unheated room during the winter months.

### Indoor use:

Teak wood furniture is also suitable for indoor use. Please remember to retighten the screws every once in a while to keep it stable and secure.
