

N02 Recycled chair

Designer:**Nendo**

Manufacturer:**Fritz Hansen**

£319

DESCRIPTION

N02 Recycled chair by **Nendo** for **Fritz Hansen**.

Made from upcycled household waste plastics the N02 chair is a versatile and practical addition to any home or office. The chair's elegant shell is circular plastic, meaning it is made of recycled plastic that can be recycled again if necessary.

Nendo has applied his signature minimalist yet functional design to the dining chair; its curved back inspired by a folded piece of paper. The supportive chair is available in a range of colours and with a variety of bases.

DIMENSIONS

Stackable Chair and Stackable Chair sled base with welded linking device: 54w x 54d x 46/81cmh

Stackable Chair with arms: 61w x 54d x 46/81cmh

Stackable Chair sled base: 54w x 53d x 46/81cmh

Wheel base and Wheel base with arms: 62.5w x 62.5d x 42-55/77-90cmh

MATERIALS

The shell and armpad are made of 100% recycled/recyclable polypropylene.

The plastic for N02™ Recycle comes from household, plastic waste collected, processed and upcycled in central Europe.

The 4-legged tube base comes in chromed steel. The sledge base is chromed steel (50% recycled) and the swivel base is polished aluminium (95% recycled).
