

Planner shelving

Designer: **Paul McCobb**

Manufacturer: **Fritz Hansen**

£1,449

DESCRIPTION

Planner shelving by **Paul McCobb** for **Fritz Hansen**.

Named after its ability to plan out a space, the Planner shelving system is ideal for organising any interior.

The contemporary and democratic designer created the shelves to be versatile. Use as a room divider and storage space, whilst maintaining a bright and open space.

DIMENSIONS

Small: 120.7w x 38.1w x 84.4cmh

Medium: 120.7w x 38.1w x 123.2cmh

Large: 120.7w x 38.1w x 165cmh

MATERIALS

Each unit is crafted from durable powder-coated steel with a slightly matte finish.

The joints are welded by hand. Diagonal rods on the two larger designs lend added support.

Shelves are made with oak veneer.
