

Tradition Lounge Table

Manufacturer: **Fritz Hansen**

£949

DESCRIPTION

Tradition Lounge Table by **Povl B. Eskildsen** for **Fritz Hansen**.

Danish designer Povl B. Eskildsen is recognised for his commitment to harmonizing form and function. With a background in architecture and a career spanning decades, Eskildsen's portfolio reflects a modern sensibility informed by the needs of contemporary living. His collaboration with Fritz Hansen on the Tradition series exemplifies his dedication to crafting enduring designs.

This modular lounge series offers versatile configurations to accommodate diverse lounging preferences. Its refined aesthetic and ergonomic design invite users to indulge in moments of relaxation, seamlessly blending sophistication and functionality for outdoor environments.

The Tradition Lounge boasts a versatile design to complement the collections seat modules. Featuring a durable teak construction, this practical addition provides ample space for storing various items such as glasses, sunblock, books, or lanterns. Additionally, it can function as a standalone piece, offering flexibility in placement and utility.

Please note: Only the H27 table can be integrated between modules.

DIMENSIONS

Available in two sizes: 70w x 70d x 40cmh

MATERIALS
