# Futura pendant light, 2015

Designer:**Hangar Design Group**

Manufacturer:**Vistosi**

## £495

## DESCRIPTION

**Futura pendant light** by **Hangar Design Group** for **Vistosi.**

A collection of elegant pendant lamps in blown glass encircled by a band of metal. The hand-made shade is formed from a single piece of glass which is specially blown to be transparent in the upper part and translucent in the lower part, creating the diffuser.

Available in three sizes. Single and double swagged canopy options are also available: please enquire for details.

Available in the following finishes: white/crystal glass with a grey metal detailing, topaz/amber glass with brass detailing and grey/smoke glass with brown detailing. Also now available in crystal glass with matt black metal detailing.

Can be hung singly or grouped for impact.

Also available with LED light source; please enquire **here** for details.
