The N.200 Chair evokes the traditional Thonet designs but through a contemporary lens. The seat represents the perfect combination of the history of the brand and the tradition of bent wood. The N.200 celebrates the 200th anniversary of the opening of the very first joinery workshop, launched by Michael Thonet in Boppard in 1819.

The lounge chair's bent beech frame and woven cane seating come together to create a timeless chair with a clean and minimal elegance.

DIMENSIONS

63w x 75.5w x 73cmh

MATERIALS

The structure is formed from carefully steam bent lacquered solid beech wood in black. The backrest and back legs are formed out of a single piece of wood. Seat made from natural woven cane.
