

Postsparkasse Hocker Stool

Designer: **Otto Wagner**

Manufacturer: **Wiener GTV Design**

£635

DESCRIPTION

Postsparkasse Hocker Stool by **Otto Wagner** for **Wiener GTV Design**.

The Postsparkasse, Vienna's post office and savings bank was a distillation of Otto Wagner's modern vision. With its gridded glass interior and rationalised font the structure is a perfect example of Viennese modernism.

The Postsparkasse Hocker Stool was created for use in the office, an ergonomic bent wood stool with aluminium embellishments. A durable and reproducible stool for modern working.

DIMENSIONS

42w x 42w x 47cmh

MATERIALS

Steam bent beech wood frame.

Available in a range of wooden finishes. Please view the Finishes pdf in the Product Downloads section for colour swatches and codes.

Stained wood is available in beech, wenge or dark walnut.

Lacquered wood is available in black or white.
