Stocksessel Stool

Designer: **Otto Wagner**

Manufacturer: **Wiener GTV Design**

~~Was £653~~ Now £555

DESCRIPTION

Stocksessel Stool Wiener GTV Design.

A historical re-edition, originally designed in 1866, with all the charm of past times. A walking stick, and folding stool made from beautiful bent beech wood and a woven cane seat connecting the three curved legs. The swan's neck handle also provides a comfortable backrest.

Available in several wood finishes, this makes a elegant accessory to the home.

DIMENSIONS

23w x 44d x 64cmh

MATERIALS

Steam bent beech wood frame.

Available in a range of wooden finishes. Please view the Finishes pdf in the Product Downloads section for colour swatches and codes.

Stained wood is available in beech, wenge or dark walnut.

Lacquered wood is available in black or white.
