## DESCRIPTION

**Georg Side Table** by **Christina L. Halstrom** for **Fritz Hansen**.

With a Swedish mother and Danish father, Christina Liljenberg Halstrøm shows her Nordic roots in her designs through a minimalistic approach and strong combinations of materials like wood, leather and wool.

Her Scandinavian sensibilities lend themselves well to the creation of this minimal oak side table with an easy design allowing the table to be integrated into most spaces in the home. Highly durable and stable, the Georg side table is designed similarly to the stool in the series, without the cushion and groove for its leather strap.

## DIMENSIONS

36w x 32d x 44 cmh

## MATERIALS

Available in a natural oak finish. FSC certified.

The selection of the wood is very careful with processing done by hand, so that only the best and most durable pieces of wood are used in production. Oak is a sturdy and hardwearing type of wood containing natural tannins that will protect against bacterial growth.
