DESCRIPTION

Guna Side Table by **Chiara Andreatti** for **Gervasoni**.

Introducing the Guna range, an extraordinary collection of outdoor furniture designed by Chiara Andreatti in 2022. This exceptional ensemble comprises carpets, charpoys, cushions, and coffee tables, all infused with a captivating multi-ethnic flair.

The term "Guna," borrowed from Sanskrit, embodies the concept of "energy that envelops all things". This profound name perfectly captures the essence of the collection—a harmonious interweaving of yarns, stitches, and textures, drawing inspiration from diverse cultures and fostering meaningful connections.

Among the remarkable pieces within the collection, the Gervasoni Guna Side tables are exquisite tables that boast a round top and a sculptural base, made of Millgres ceramic in three captivating hues: red, white, and blue.
