### DESCRIPTION

**Heiko Side Table** by **David Lopez Quincoces** for **Gervasoni**.

Introducing the Heiko Side Table - crafted from high-density polymer and delicately coated with a clay layer, the table is available in enchanting Ombra, Cassel, or Siena shades. Its surface boasts a matte stain-proof treatment, ensuring both elegance and practicality.

Drawing from the Japanese principle of equilibrium and stability, the Heiko Side Table exudes a captivating aesthetic. Its design features graceful curved lines and a rounded base, imparting an illusion of weightlessness upon any surface it graces. Harmonizing simple geometries with voluminous forms, this piece manifests a seamless fusion of elements, creating a gentle architectural presence where each component coexists in perfect harmony.

The Heiko Side Table transcends dimensions, inviting you to explore its serene elegance from every angle. Its selection of three natural colours evokes a deep connection to the earth's essence, evoking tranquil imagery that soothes the mind and captivates the soul.
