DESCRIPTION

Como Mirror - Single by Barber Osgerby for **Glas Italia**.

Designed by Barber Osgerby for Glass Italia, Como is a rectangular-shaped mirror held within a minimalist frame.

The frame, which features rounded inner corners, is available in three finishes; untreated lacquered brass, dark brown and bamboo green, meaning the mirror is well fit to a range of interior settings.

It comes in two sizes; a smaller size for bathrooms, hallways, or a decorative mirror in the living room, and a larger size best suited as a dressing mirror.

The mirror is also available in a multi-panel design for viewing your reflection from various angles.

Please note: due to the great fragility of this design we are able to ship it within the UK only.
