

Grand Conference Chair

Designer: **Antonio Citterio**

Manufacturer: **Vitra**

£2,575.83

DESCRIPTION

Grand Conference chair by **Antonio Citterio** for **Vitra**.

The Grand conference features an inviting large form while keeping the recognisable appearance of a conference chair. Designed by Antonio Citterio as a conference and visitor chair creating an impressive feature suitable for offices, lobbies, reception areas as well as conference areas.

Please note: pricing is for the Conference chair with a five-star base made of polished die-cast aluminium. The Lowback version features a medium-height backrest without a neck cushion and the Highback version features a height-adjustable neck cushion.

DIMENSIONS

Lowback: 67.5w x 46d x 99.5cmh

Highback: 67.5w x 46d x 125cmh

MATERIALS

The backrest shell is made of plastic with a seat and back upholstered in leather over polyurethane foam. Features a FlowMotion conference mechanism with individual adjustment of backrest resistance. The seat height is fixed with shock-absorbing seat suspension for added comfort.

Upholstery in Leather L20 or Leather Premium F.

Leather Premium F is a cowhide leather with a smooth finish and beautiful top sheen. It is dyed-through and has a light pigment. It is also eco-friendly as it's treated with an olive tree leaf tanning agent (a by product of the olive harvest). Choose from 22 different colours for this premium leather collection.

View the pdf in the download section to explore the variety of finish options available.
