

Bat Dining Chair, Black Plastic Base - Fully Upholstered

Designer: **GamFratesi**

Manufacturer: **Gubi**

£899

DESCRIPTION

Bat Dining Chair, black plastic base with full upholstery by GamFratesi for Gubi

The Bat dining chair designed by Danish-Italian design studio GramFratesi, features a bold, minimalist form, its enveloping shell referencing the wingspan of a bat.

Gubi has developed the 'Bat for Life' concept, making the front upholstery easy to remove should you wish to dry clean or replace the textile. This innovative feature prolongs the life of the chair, taking a sustainable approach to design.

Choose from a wide selection of fabrics and leathers. Please refer to the pdf in the download section to view upholstery options.

The base is available in black plastic.

More specifications available, please enquire **here**.
