

## Beetle Chair - Outdoor

Designer: **GamFratesi**

Manufacturer: **Gubi**

£249

### DESCRIPTION

**Beetle Chair - Outdoor** by **GamFratesi** for **Gubi**.

The Beetle collection, designed by GamFratesi for Gubi in 2013, blends simplicity with personality, utilising both traditional craftsmanship and modern manufacturing techniques. Its appealing design, exceptional comfort, and customisable options has garnered praise from both consumers and interior architects and made it a staple in renowned restaurants worldwide.

Crafted with a two-part outer shell and a comfortable inner surface, inspired by the eponymous insect and the way its hard shell protects its soft body. The original Beetle chairs are now available in the outdoor version. Reimagine for outdoor use, the new chairs features the familiar plastic Beetle shell with new, stylish plastic legs with special UV additives in polypropylene formula to prevent colour from fading.

The chair is versatile and lightweight and can be easily moved around. The chairs provide familiar comfort and without compromising on flexibility.

BIFMA and Level 2 certifications on shells and plastic bases guarantee durability for commercial use. Available in alabaster white and new beige.

## DIMENSIONS

56w x 58d x 87cmh
