

Beetle Dining Chair | Conic Base

Designer: **GamFratesi**

Manufacturer: **Gubi**

£799

DESCRIPTION

Beetle Dining Chair | Conic Base by **GamFratesi** for **Gubi**.

The Beetle collection, designed by GamFratesi for Gubi in 2013, blends simplicity with personality, utilising both traditional craftsmanship and modern manufacturing techniques. Its appealing design, exceptional comfort, and customisable options has garnered praise from both consumers and interior architects and made it a staple in renowned restaurants worldwide.

Crafted with a two-part outer shell and a comfortable inner surface, inspired by the eponymous insect and the way its hard shell protects its soft body. The chair combines artisanal craftsmanship with advanced production methods, resulting in a unique blend of mechanical precision and organic softness. With a variety of upholstery choices and base options, the Beetle Chair allows for personalised customisation.

Further fabric categories are available, please **contact us** for more information.
