

TS Console

Designer: **GamFratesi**

Manufacturer: **Gubi**

£1,799

DESCRIPTION

TS Console by **GamFratesi** by **Gubi**.

Originally designed for The Standard restaurant in Copenhagen, the aesthetic and material choices for GamFratesi's TS Collection strongly reference the renowned restaurant's architecture.

The sculptural two-level TS Console serves well as an elegant media console, storage unit or serving station. The Art Deco-inspired geometric base is available in three finishes, while the contrasting solid stone tabletop is available in a range of timeless marbles and travertines.

DIMENSIONS

120w x 30d x 74cmh

MATERIALS

Black lacquered, brass or polished steel base.

Table top available in: Black Marquina Marble, Grey Emperador Marble, White Carrara Marble, and Green Guatemala Marble, Neutral White Travertine, Warm Taupe Travertine.
