

FA33 mirror, 1933

Designer: **Gio Ponti**

Manufacturer: **Gubi**

£899

DESCRIPTION

FA33 mirror by **Gio Ponti** for **Gubi**.

Visionary Milanese architect Gio Ponti originally designed the FA33 mirror for FontanaArte, the lamp and glass manufacturing company that Ponti founded with his colleague Pietro Chiesa in the 1930s.

It is available in a full-length version and a half-size suited to overmantle hanging or hallways.

For 2018 Gubi have introduced a new frame finish for this classic design, and it is now available with a black brass frame in addition to the polished brass finish.

Please note: due to the great fragility of this design we are able to ship it within the EU only.

Quickship is available, please enquire for more details.
