

Doric coffee table

Designer: **GamFratesi**

Manufacturer: **Gubi**

£2,299

DESCRIPTION

Doric coffee table by **GamFratesi** for **Gubi**.

Continuing their exploration of natural stone material which began with the Epic Table, the Doric coffee table is GramFratesi's response to the architectural traditions of the Classical era. The design duo extends their material investigation into the aesthetic and functional limits of limestone. The Doric table is the result of that exploration driven by the same inspiration: the Classical column.
