The Epic collection consists of two sculptural designs with a name taken from the epic poems of this era. Inspired by the Greek columns and Roman architecture of antiquity, these tables use two prominent shapes, a circle to make the tabletop and the hexagonal base it sits on.

Introducing the newest collection, now available in three luxurious lacquered steel colours. Gubi has carefully crafted Midnight Black or Misty Gray through a rigorous experimentation process to bring you colours that exude elegance and sophistication. Add a touch of class to any room with these new stunning shades.
