

Cobra floor lamp, 1950

Designer: **Greta Grossman**

Manufacturer: **Gubi**

£899

DESCRIPTION

Cobra floor lamp by **Greta Grossman** for **Gubi**.

First produced in 1950, the classic Cobra lamp takes its name from the shape of the oval shade, which is reminiscent of a Cobra's neck. The tubular flexible arm can be bent in all directions whilst the shade can be rotated through 360 degrees.

Light source (not included):
E14, 470lm (4W - 6W LED).

DIMENSIONS

67w x 118cmh, 2.3m cord

MATERIALS

The base is covered in powder-coated steel and weighted with a cast iron ballast. A small key is included to tighten the joint of the shade if needed.
