

Cobra floor lamp, 1950

Designer: **Greta Grossman**

Manufacturer: **Gubi**

£609

DESCRIPTION

Cobra floor lamp by **Greta Grossman** for **Gubi**.

First produced in 1950, the classic Cobra lamp takes its name from the shape of the oval shade, which is reminiscent of a Cobra's neck. The tubular flexible arm can be bent in all directions whilst the shade can be rotated through 360 degrees.

Light source (not included):

Socket E14 base

Recommended wattage: 9W, Max Wattage: 13W (fluorescent light bulb)

Recommended wattage: 28W, Max Wattage: 28W (Halogen light bulb)

Quickship is available, please enquire for more details.

DIMENSIONS

67w x 118cmh, 2.3m cord

MATERIALS

The base is covered in powder-coated steel and weighted with a cast iron ballast. A small key is included to tighten the joint of the shade if needed.
