

Cobra table lamp, 1950

Designer: **Greta Grossman**

Manufacturer: **Gubi**

£405

DESCRIPTION

Cobra table lamp by **Greta Grossman** for **Gubi**.

The classic Cobra lamp takes its name from the shape of the oval shade, which is reminiscent of a Cobra's neck. The lamp won the Good Design Award in 1950 and was subsequently exhibited at the Good Design Show at the Museum of Modern Art.

The tubular flexible arm can be bent in all directions whilst the shade can be rotated through 360°.

Bulb: E14 max 30W (not included).

Quickship is available, please enquire for more details.

DIMENSIONS

34.5cmh

dia base 16.5cm

dia shade 29cm

MATERIALS

The base is covered in semi-matt powder-coated aluminium and weighted with a cast iron ballast.
Available in a range of contemporary colours.
