

Multi-Lite Floor Light

Designer: **Louis Weisdorf**

Manufacturer: **Gubi**

£999

DESCRIPTION

Multi-Lite Floor Light by **Louis Weisdorf** for **Gubi**.

Designed in 1972, the Multi-Lite floor light offers a range of configurations, allowing the user to adjust and create a unique and personalised lighting installation. By rotating the opposing quarter-spherical shades, light can be directed upwards, downwards, or asymmetrically. In either configuration, the bulb is never visible to the eye, creating a gently diffused light.

Bulb (not included): 1 x max 57W E27 bulb (not included).

Quickship is available, please enquire for more details.

DIMENSIONS

Ø32 x 148 cmh

Supplied with a black cord 200cm in length.

MATERIALS

Available in chrome or brass with a black semi-matt, white semi-matt, or polished finish, the Multi-Lite floor light completes this classic lighting range from celebrated designer Louis Weisdorf.
