DESCRIPTION

C-Chair paper cord dining chair by **Marcel Gascoïn** for **Gubi**.

The elegant C-Chair designed in 1947 is one of Gascoïn's most well-known pieces. The chair was originally designed to fit into the new sizes of homes built in the post-war years in France. Here Gascoïn created a simple, functional piece of furniture to make up for the lack of space in these new homes.

The seat and the backrest of the chair are upholstered with paper-cord. The sturdy wooden frame is available in black stained oak matt lacquered finish, oak oiled finish or American walnut oiled finish.

Other versions are available with an **upholstered seat** or **fully upholstered**.
