

F-Chair Outdoor

Designer: **Marcel Gascoin**

Manufacturer: **Gubi**

£799

DESCRIPTION

F-Chair Outdoor Chair by Marcel Gascoin for Gubi.

Designed for use between indoor and outdoor spaces, Gubi F-chair features tapered rear legs with a relaxed incline and paddle-shaped armrests. Combined with its tightly woven seat which widens at the front, the F-Chair is the perfect chair for outdoor leisure.

Developed in close collaboration with Gascoin's family from his original drawings, along with intensive research and prototyping. Optimized for the outdoors in both the ergonomics and the materiality.

Frame in teak. High oil content in teak allows the chair to stay in excellent condition in all kinds of weather without additional treatment, developing a beautiful silvery patina over time.

DIMENSIONS

86w x 71d x 38/81cmh

MATERIALS

The seats and backrests are tightly woven from an outdoor all-weather fibre made of an extruded polyethylene.
Natural teak frame.
