DESCRIPTION

Ronde pendant by Oliver Schick for Gubi.

The Ronde Pendant is Olivier Schick's first product for Gubi. The bell-shaped piece has reference to the traditional pendant lamp and the best of 1970s lighting design but in a modern interpretation. The mainly downwards light spreads out of the spout-like opening and casts a smooth light gradient at the wire and ceiling.

Bulb (not included): 810lm, ~60W incandescent, ~40-60W halogen, ~6-10W LED. E27 base.

Quickship is available for some variants, please enquire for more details.
