

Gravity wall lamp

Designer: **Space Copenhagen**

Manufacturer: **Gubi**

£449

DESCRIPTION

Gravity wall lamp by **Space Copenhagen** for **Gubi**.

A part of Space Copenhagen's Gravity series, the Gravity wall lamp shares the same characteristics as its counterparts. It is defined by its airy cylindrical canvas lampshade and seemingly heavy brass arm, a delicate balance of strength and fragility.

The sculptural light contrasts weight and lightness, which is where it takes its name. Available in two sizes and two finishes, the light is suited for commercial and residential properties.

DIMENSIONS

Small: 20dia x 15cmh

Large: 30dia x 17cmh

MATERIALS

The Gravity table lamp is available with a base in antique brass and a shade in white or canvas.

Recommended light source (not included): 470 lm (~5W - 6W LED dimmable).

Small: E14.

Large: E27.

GUBI has been part of the UN Global Compact since 2019 and is committed to the Compact's Ten Principles for responsible business operations within human rights, labour, environment and anti-corruption.
