

## Howard chandelier, 2021

Designer: **Space Copenhagen**

Manufacturer: **Gubi**

£1,199

## DESCRIPTION

**Howard Chandelier** by **Space Copenhagen** for **Gubi**.

A grandiose piece for both public and private spaces, the Howard Chandelier's materiality, warmth and craftsmanship is a Scandinavian celebration of New York's industrial palette.

With reference to the SoHo location of the Howard Hotel, for which it was originally designed, the chandelier exudes a warm, tactile feel. Featuring long, slim octopus-like arms, the chandelier is modern and sophisticated. Choose the gunmetal brass shade finish for an industrial and functional aesthetic, or go with the bone china shade finish for softer, diffused ambient lighting.
