DESCRIPTION

Howard pendant by **Space Copenhagen** for **Gubi**.

An exquisite piece for both public and private spaces, the Howard range's materiality, warmth and craftsmanship is a Scandinavian celebration of New York’s industrial palette.

With reference to the SoHo location of the Howard Hotel, the pendant exudes a warm, tactile feel. Perfect for use as a singular light or in a cluster, the pendant is excellent for versatile spaces. Choose the gunmetal brass shade finish for an industrial and functional aesthetic, or go with the bone china shade finish for softer, diffused ambient lighting.
