DESCRIPTION

Moon Lounge table by **Space Copenhagen** for **Gubi**.

Introduce a touch of elegance to your space with the Moon Collection - a series of organic rounded tables designed by Space Copenhagen. Perfect for both home and public settings, these tables boast a solid oak table top paired with a smooth half or full moon-shaped base with a bevelled surface.

Choose between a matt oil finish or high gloss varnish. The matt oil finish is made from blockboard oak that is black-stained and oiled, while the high gloss varnish features a veneered table top. The lounge table also comes with a Grey Emperador marble tabletop option.

With clear references to traditional Danish carpentry, these tables exude a simple yet strong identity. Explore the fascinating contrast of variations in surfaces and finishes with the Moon Collection, the first table collection by Space Copenhagen for GUBI, with a range of small and low round lounge tables to large and generous dining tables.
