DESCRIPTION

Wonder modular sofa by **Space Copenhagen** for **Gubi**.

The Wonder Sofa is an elegant modular system, a reinvention of the 1970's lounge furniture. Its plush and plump cushions fold over the clean linear backrest, to create a distinctive sculptural shape.

It's curvaceous and undulating form plays with the traditional sofa form, creating a relaxed and informal seating solution for commercial and residential interiors.

Please note the modular sofa available online is a 2 x 3 seater corner sofa. To create your bespoke variation of the system, please contact us **here**.
