

Bio + Energiser Conditioner

Manufacturer: **Hæckels**

£30

DESCRIPTION

Bio + Energiser Conditioner by Hæckels.

Refresh with Hæckels Bio + Energiser Conditioner, a gentle botanical conditioner that leaves your hair feeling glossy and hydrated.

The vegan formula is enriched with kelp extracts and panthenol, which collaborate to condition and hydrate hair. It also contains pumpkin seed oil, which contains essential fatty acids that leave hair clean and refreshed.

To use, wash out excess water from hair after cleansing and apply the conditioner from root to end. Leave in for two to three minutes before rinsing.
