DESCRIPTION

Ozone Exfoliating Coffee + Seaweed Block by Hæckels.

The Hæckels x Ozone Exfoliating Coffee + Seaweed Block provides a hydrating and soothing cleansing experience for the face and body. Its vegan formula combines seaweed, aloe vera, and tea tree with the waste coffee grinds from Ozone's London Eatery. This sustainable blend smooths rough patches and leaves the skin feeling clean and refreshed.

Highly versatile, the soap block can be used in the sink, the shower or the bath.

The soap comes wrapped in paper made from upcycled coffee cups and is Hæckels first circular product.
